

# Saint Francis de Sales Parish School Newsletter

## Principal Gallagher's Office

MAP testing is off and running. Now that most staff and students have been through the process, MAP testing is very routine for us. I am happy and proud to report that our first full week was very successful and our students did a great job of giving their best effort. During the second week, students will be finishing up some tests, so please remember to remind your child that it is very important to get good night's sleep, eat a nutritious breakfast and to do their very best on this test. Scores from the MAP test will be available once all students have completed the test.

Volleyball games started this week and I am happy to report that the young ladies on the team did an outstanding job of representing our school as student with great character. Although not the most important thing, the A Squad did come away with a victory. Thank you to all the coaches and players.

We took part in the Walworth County Mass and Picnic on Friday. Students from SFDS, St. Andrew and St. Peter joined together for mass, food and fun. Games were run by the outstanding students at CCHS.

## New Locker Rooms

Thank you to all the families who have contributed to the Roadrunner Initiative. Your support and the very hard work and planning by our current and some former Home and School officers have taken our outdated bath rooms and changing areas, to a first class locker room for our children. Thank you to Engerman Companies for the staying on the timeline and showcasing a Engerman look through all the time and talent given outside our budget.

Students and staff enjoying lunch at the Walworth County Catholic Schools Mass and Picnic.
