

Saint Francis de Sales Parish School Newsletter

Principal Gallagher's Office

We had a wonderful week at SFDS!! Our staff and students celebrated Red Ribbon Week and Halloween over the past couple of days. I am always surprised by how much fun I have with students dressing up for Halloween. I was excited to see all the creative costumes and again to be part of the celebrations that took part (especially the Halloween party thrown by our Home and School) during the day and evening. You should be impressed by your child, as all of our students did a great job having fun, but still making the most of the week as students.

Thank you to all the Moms and Dad who supported the day and night activities

It was wonderful to see students working together on fun and educational activities. My favorite experience was with 8th graders as we made a college visit to George Williams College. Thank you, Mr. Weygand, for making this trip possible for our students. Mrs. Lorenzi and I felt like we were on a trip with Juniors as the students made the most of this special trip.

Our Student Voice Team organized a wonderful week that included a decorating the fence line of the school and drawings and games for students. Check to see if your child received one of the red ducks or red Gatorade.
