

The Lake Geneva School District including St. Francis de Sales Parish School has received an extension for the Federal Summer Food Service Program. Starting Tuesday, September 8, 2020 (until further notice), St. Francis de Sales will be providing lunch FREE of charge to ALL students. We encourage each student to take advantage of our nutritious meals provided by the Lake Geneva School District at no cost. This will require no action on your part. Students will order lunch as usual during morning attendance. Note only one lunch is free. The students who order two lunches will be charged for the second lunch.

Virtual students, who would like to pick-up meals, please call Traci Vavrina at 262-248-2778 before 9:00am to order your lunch to be picked up at SFdS. Pick up time will be at 12:00pm.

If your family has already paid toward your lunch balance we ask that you please leave the balance for future use.

Contact Mary Jo Pankau if you have any questions.
