## Roadrunner 5K Run/Walk and Fun Fair

The 9<sup>th</sup> annual SFDS Roadrunner 5K run/walk is coming up on Saturday, May 29, 2021. This event is a fun, healthy, family-themed way to spend a Saturday morning in May. New this year, we are encouraging all families to dress up like a superhero of their choice. Teachers have been our superheroes all year long dealing with constant adapting and still demonstrating amazing leadership to our students. Let's end the year with a run dedicated to all of the superheroes out there!

We are also adding a Fun Fair and Beverage Cart this year! Select classes will be displaying academic projects or art projects for their families to see. Since parents haven't been able to go into the school building this year, this will be a fun way for all of the families and classes to interact. So stick around after the race and enjoy a drink while checking out all of the projects on display.

We're writing to ask school families for consideration in either participating or volunteering (watch for a Sign Up Genius coming to your email sign to select a volunteer spot) at the event. In previous years, we had many students of all ages run the 3.1 mile course and do great. You can also sign up to virtually run as well. You still get a t-shirt and can submit your results, when you run your own 3.1 mile course. The Fun Fair is a nice alternative for any students who aren't interested in running or walking. So everyone can come and check out the Fun Fair!

Many students run with their friends, family members, neighbors or teachers. Others become competitive and run against classmates or even their parents to see who can achieve the best time. While not everybody will receive a medal, the top three finishers in each of our designated age categories will receive a gold, silver or bronze medal (virtual runners will not be eligible for medals).

Our student incentive this year is to launch a water balloon at your teacher! All students who register for the run, will get to launch a water balloon from a launcher and try to hit some of our very own SFDS faculty. Let's see how many teachers we can soak! In addition to the water balloons, the class with the highest percentage of participation (signed up by Wednesday, May 26) gets to enjoy an ice cream party during the last week of school.

Mr. Weygand has also agreed to exempt any students who participate in the 5K from completing the 1 mile run in physical education.

There is an early registration fee of \$20 for everyone who signs up by Sunday, May 16. The cost will increase to \$30 for anyone who signs up after this date. We would love to see as many people as possible sign up online – [SFDS.5k.run](http://SFDS.5k.run) – it is easy and T-shirt sizes are easy to select this year. T-shirt sizes will be guaranteed for those that sign up by May 16. After May 16, you won't be guaranteed a shirt.

## St. Francis de Sales Parish School 9<sup>th</sup> Annual 5K Run/Walk May 29, 2021

On May 29, 2021, St. Francis de Sales Parish School will hold our 9th annual 5K Run/Walk. For more than 55 years, St. Francis de Sales has provided its students with a well-rounded, faith based education, highly qualified staff members, small class sizes and a family community atmosphere. This fundraising event will help us generate the vital funding we need to continue to support our students and school. All proceeds of the event will be put toward student field trips for the 2021-22 school year.

We are writing to request your support in the form of a tax-deductible donation in support of this event and our school. In exchange for your generous donation(s), you will in turn receive excellent community exposure on race t-shirts, race bibs and/or in participant race bags. Because of donations from very generous individuals and/or businesses like yours, we can continue to provide the best possible education for our children.

If you have any questions or wish to speak to me directly, please contact me via e-mail at [5k@sfdslg.org](mailto:5k@sfdslg.org). Thank you in advance for considering our request, and for your support of our school, children and community.

Thank you for your support.
