April financials. Mod Pizza's first fundraiser one was very successful and the second not as much. Look at coming up with a set schedule for restaurant nights monthly for the 21/22 school year. Teacher appreciation to be approved. Budget: Soles walk and Jog a thon to be held by school. Budget stuff shifting from Home and School to school. School Musical not needed to be funded by H&S. All expenses to be paid by church and school would like the H&S. budget to be around \$15,000. Scrip money will be used towards science books next school year. Around \$10,000 in the bank. Need to find a place for scrip. Hoping to have scrip moved over to Home & School. Need a coordinator to head up scrip. Teachers are working on their wish lists. Each assigned \$1000 per class room. Visual arts budget should be coming out of field trip donations.
