Virtual access to school mass allows all to families to connect on-line with age appropriate messages.

Discussed the additional option of sending an email letter directed to young people. Will need to gather email lists of the families that would be interested in this.

The committees will be in attendance at parish council meetings as appropriate throughout the year.

Irishfest brought in/raised around \$70,000 and was very successful.

NEW BUSINESS:

Millie McCormick now has a new role in our Deanery and will no longer be our SFdS representative. Father believes that she can continue to be our parish rep and hold the position on the deanery. Father will confirm this.

Claudia and Antonia were in attendance to discuss the celebration of Our Lady of Guadalupe feast day and Novena.

- Novena to Our Lady of Guadalupe to run from 12/2 to 12/11. Daily prayer and rosary starting at 7pm with adoration. Father approved this as long as Juan is present to expose the sacrament as he is experienced with the exposition.

- December 12th 5:15 bilingual mass to celebrate the feast day of Our Lady of Guadalupe. Hispanic community will provide music but needs to be limited to 3 people plus one musician.
- Father suggested including the parade of roses and the traditional Shrine to Our Lady for the event.

Marianne will continue as secretary until the time of this term is up in June and a new secretary will be elected.

Next meeting will be the second Tuesday in November, 11/10/20 at 6pm.

Father Ray closed the meeting in prayer.

Meeting adjourned at 7:33pm

Respectfully,
Marianne Weber
