

St. Francis de Sales Cemetery

Legacy Paver Program

In the heart of the picturesque St. Francis de Sales Cemetery, a new legacy walk has been established, leading to the stately Mausoleum and beautiful restored statue of the Blessed Virgin Mary. Under a canopy of berry trees, benches provide a serene ambiance for one to pray and contemplate.

Resting in our historic cemetery, former priests and loved ones will be forever remembered, memorialized on the legacy walk. The Legacy Paver Program provides an opportunity to remember one dear to your heart, (living or deceased), a beloved friend, choir member, committee member, or individuals who have dedicated their time and talent to benefit our parish, as well as those who have not been buried in our parish cemetery.

Consider memorializing a loved one on our legacy walk! Proceeds from paver sales will fund charity burials as well as continued cemetery beautification.

Small pavers are offered at \$100 and large pavers at \$300.

Legacy Paver forms will be available in the parish vestibule.

**SAINT FRANCIS DeSALES CEMETERY
LEGACY PAVER PROGRAM**

Become part of the Saint Francis DeSales Cemetery.

Legacy Paver Walk.

Honor a loved one, living or deceased by sponsoring a memorial paver in the historic 180 year old SFDS Cemetery. The Legacy Walk, located at the Mausoleum leading to the Virgin Mary grotto creates a serene place for prayer, meditation, reminiscence and peace. Your paver recalls those loving memories and connects you to those we love. Pavers will memorialize a child, parent, veteran, friend, priests, religious, brothers and sisters and others. Proceeds fund the cemetery and provide charity burials.

Engraving & Other Details

Pavers are laser engraved, epoxy filled black capital lettering, centered weather resistant. Installations occur several times each year. Proceeds are tax deductible.
