

Saint Francis de Sales Parish School is a Special Place

My name is Kameron and I am in first grade and I think St. Francis de Sales is a special place because we are like a family and we love others in this school. We like to say our prayers. We all love God and we have good teachers. We are all God's disciples. We forgive others. We learn about God every day. Our school is named after a saint. That's why I like St. Francis de Sales School!
