WAY
TO GO!

St. Francis de Sales is a special place because I can learn about new things. I also love my class and my classmates. I really like Mass so I can learn about God and Jesus. It is fun because we have the whole school to do fun things. I also like specials like art and P.E. I love my teacher and all of the teachers and the principal. All of my classmates

are fun, cool and happy. I also love
the new classmate. He is
great. I'm in second grade so
I did first + Resoniation + I think
I was happy and I was glad! That
is why I Love St. Francis de
Sales!
