

Why SFDS Is So Special

By: Dagny

Students in the Lake Geneva area are lucky enough to attend wonderful schools that have great teachers and offer a variety of learning and enrichment opportunities. SFDS is no exception. However, it is different from all the other schools. It is very special to me and the many other students that attend SFDS for the following reasons. The first reason is we have religion classes. During our religion classes we learn all about how Jesus lived, His teachings, and how He taught us to follow His example. We are reminded of that not only in religion class, but what we learn in religion ties in with all our classes, recess, and anywhere else on campus. Our teachers encourage us to live like Jesus did in all aspects of our lives. Another reason SFDS is different is we go to mass once a week to learn even more about Jesus Christ our Savior. Our priest, Father Ray, makes a huge difference at our masses by making kids a part of his homilies so that we can all understand the message. He involves

kids by asking questions and calling on us to answer them. Lastly, all of the staff at SFDS are kind, caring, and dedicated to help us grow physically, mentally, and spiritually. Mrs. Maus, our principal, is very kind and welcoming. She gets kids excited about things that are important to us. Now, and throughout the years to come, the teachers will continue to encourage us to live like Jesus. We will carry these lessons with us the rest of our lives. Thank you.
