

Why St. Francis de Sales is Special to Me

St. Francis de Sales is such a special place to be. I have made so many memories here, from Pancake Breakfasts to Dr. Suess week and more. I could not ask for a better principal running this school and making it better each day. This school means so much to me. I am so grateful to be here and to be learning about God at such a special place.

My reason why St. Francis de Sales is such an amazing place is because of the amazing teachers. Each and every one of them really opens a mind and touches a heart. They are always willing to help and give advice to the students. It almost feels like home when you're in the classroom with your teacher and your friends. They really prepare you for the grade ahead and help you to be prepared for anything that life throws you. The teachers are kind, generous, welcoming, fun, and overall just amazing.

This is just one reason for why St. Francis de Sales is such an outstanding school. Five years later, I am still at St. Francis de Sales and I really feel that I am becoming the person I want to be and that I really belong here. I hope this school continues to be in the right hands of someone who knows how to make a difference inside and out..

The following quote by St. Francis de Sales sums up our school well. "Be who you are, and be that well."
