

How I Live as a Catholic

By: Elsie

6th Grade

Hi, I'm Elsie, from Saint Francis De Sales Parish School. Saint Francis has taught and helped me how to live as a Catholic because we have religion class. Religion class helps me learn a lot about the Bible, the different stories, and all of the people and saints. We also go to mass every week, and when our priest gives the homily, it's very meaningful and teaches me a lot more than I already know. Everyone at SFDS teaches me how to live and act as a Catholic. I have made so many amazing friendships at Saint Francis and everyone is very kind to each other in the classroom.

Out of school, I go to church on Sundays with my family at Saint Francis. I also donate my clothes that are too small to a family with little girls, and my toys and books I don't play with or read anymore. When I go to bed, I read a little daily Jesus devotion for the day, and say extra prayers like the Our Father, and Hail Mary. I also say daily prayers at home and on the weekends. When I'm having a bad day or do something wrong, I pray to God and ask for forgiveness or ask for help. I try my best to include other people and be nice to everyone, even my brother. In conclusion, Saint Francis De Sales and the people around me have taught me how to live and act as a Catholic and I am very grateful.
