

How Saint Francis de Sales has Helped Me Grow

7th Grade

Catholic Schools Week at Saint Francis de Sales Parish School brings unity and kindness to all. There are many events that take place in Catholic Schools Week that make the school come together. The effect of this is people that go to the school act as Catholics. The people that go to Saint Francis de Sales are very kind and motivated to help other people. I know for me, everyone is very kind. Saint Francis de Sales has made a huge change in my life and others. All of the children who go here live as Catholics by being honest, kind, and leaders. People know what they need to do to treat others right and make them happy.

Saint Francis de Sales Parish School helps people to understand how to treat people and what others deserve. This school has had a great affect on how I live my life. I feel more honest, kind, and more inclined to help people. I won't ever forget the abundance of people that help each other out. Whenever I start to feel ungrateful, I think about how lucky and privileged I am to be able to go to a school that teaches the right way to live life.
